

Mount Pleasant Lutheran Church Mission Endowment Fund

Application for Grant

The MPLC Mission Endowment Fund supports our church's outreach beyond its regular operating budget. It's a way to honor loved ones or create a lasting legacy of giving that supports God's mission and the mission of our congregation.

Application Guidelines

The Mission Endowment Fund Board considers requests that align with MPLC's mission and priorities. We prioritize funding in the following areas:

- **MPLC Ministries:** Seed money for new programs, ministries, or special projects within our church.
- **Education:** Financial support for scholarships, such as for seminarians or students attending Evangelical Lutheran Church in America (ELCA) colleges.
- **Missions:** Support for local, national, or global mission work.

Review Priority: The Board reviews applications in this order of priority:

1. Requests from MPLC pastors.
2. Requests from an MPLC member or group for use within the congregation.
3. Requests from an MPLC member or group for use in southeastern Wisconsin.
4. Requests from an MPLC member or group for use outside of southeastern Wisconsin.

Important Notes:

- Funds are not intended for items already in MPLC's operating budget.
- The Board typically does not award grants to individuals.
- Non-member applications must be endorsed by an MPLC member or group.

Deadlines: Applications are due by **April 30** and **October 31**. The Board will review applications the following month, with distributions made by late June and December.

*Completed applications may be emailed to info@mplc.us,
