

Confirmation!

2024-2025

Mount Pleasant Lutheran Church

WORSHIP ATTENDANCE

Regular in-person worship attendance is expected of all MPLC confirmation students and their families. *Parents are crucial leaders in modeling this important faith practice!*

Worship Response Forms (WRF's) help show that the student is participating and integrating worship into their lives.

- All Sat/ Sun WRF's and Midweek WRF's are available on paper at the back of the sanctuary. A box to return them to is close by.
- Becky Litwin sends out quarterly updates so kids know where they stand. However, you can email her at any time (blitwin@mplc.us) if you would like to know how many WRF's your student has completed.

SERVICE CONNECTIONS

Service Connections are experiences serving others with your time...another important way to live out faith as a disciple of Jesus! Such activities can be service projects with the church, in the community, through school, etc. To count towards your student's requirements the experience must include some kind of hands-on service for at least 1 hour. For example, sorting food for a food pantry for an hour would count but donating a can of food would not. If you are unsure of what would apply, ask a pastor. When a service project is completed, the student completes a form, available in hard copy near the WRF forms or [online](#). There will be at least one in-class service project every year.

MPLC confirmation youth are asked to sign up to serve in worship (reader, usher, communion assistant, greeter, nursery assistant) at least four times a year. EACH date of serving this way can count as a ONE hour Service Connection.

Worship Response Forms and Service Connections Requirements per Grade

Grade	Sat/Sun WRF's	Midweek WRF's	Service Connections
6th	12	6	1
7th	8	3	2
8th	4	3	4

Students have from September 1-August 31 of each of their 3 years to complete these confirmation requirements.

WEDNESDAY CONFIRMATION SESSIONS

Students participate in large-group learning and small groups on Wednesdays, 6:30-8 PM during three short seasons over the school year:

- Fall 2024: Sept. 11 - Nov. 20 (last day will be at Luth. Church of the Resurrection)
- Winter 2025: Jan. 10 - Feb. 26

Students who miss a class are expected to make it up on their own by watching the online recording of the large-group teaching. [All the recordings may be found on our YouTube channel](#). Links are also shared in the weekly emails.

SUNDAY SCHOOL

Sunday School for 6th, 7th and 8th grade provides another opportunity for learning and faith development during the education hour from 10:15 – 11 AM Sunday mornings, September through May. Please register online at spaceshipchurch.org.

CONFIRMATION CAMP

The summer after the completion of 7th OR 8th grade, MPLC confirmands attend a week of “Confirmation Camp” at Lutherdale Bible Camp, Sunday through Friday afternoon. To support this important component, MPLC pays half of their registration fee. Confirmation Camp this year will be June 15-20, 2025.

EMAIL COMMUNICATIONS

Weekly emails are sent to parents during Confirmation sessions to keep parents up to date on what students are studying, how to find online links, and service opportunities. Please make sure we have your email address when you register!
